Bunny Chow Takeaway

Print it

1. Print every page at 100% / "Actual size" (no "fit to page"). 8 pages on A3.
2. Check the 50 mm square measures exactly 50 mm.
3. Tape the pages together using the corner marks (page order is printed on each page).

Build it

1. Press out the stall, roof, sign, giant bunny and its lid. Crease every fold.
2. Fold the four walls up and glue the corner tabs. The side door stays hinged: just push it open.
3. Fold the serving hatch skin back onto the hatch and glue it, so it is striped on top. Prop it open over the window.
4. Fold the roof tray and glue it on, then glue the sign along the front edge.
5. Fold the giant bunny chow and its bread lid and stand them on the roof. Lift the lid for a peek at the curry.
