Farm & Animals Playset

Print it

1. Print every page at 100% / "Actual size" (no "fit to page"). 44 pages on A4.
2. Check the 50 mm square measures exactly 50 mm.
3. Tape the pages together using the corner marks (page order is printed on each page).

Build it

1. Fold the barn: walls up, gable ends up, glue the tabs, then the two roof sheets and the ridge cap.
2. Fold each fence in half so both sides are printed, glue it, and stand the fences in a kraal.
3. Windpump: glue the diaphragm's flanges inside the tower at the solid band, then fold the tower round it and close it. Glue the wheel's hub and the tail vane on the cap. Fold the reservoir, trough and bales.
4. Animals: fold both flanks down from the spine, fold the nose and rump in and glue their tabs inside, then fold the belly forward under the body. They stand on four legs.
